Important Reminders & Tips

- Start the application 3-4 months before your planned move
- Keep all documents in both original and certified copies
- All non-English documents must be officially translated and apostilled
- Health insurance must offer full coverage with no copayment requirements
- Proof of funds must show consistent balance for 3-6 months prior
- The €28,800 requirement is yearly passive income, not a one-time amount
- Consider hiring a gestoria (tax/legal adviser) to support your application
- Register on the padrón before applying for the TIE card
